QUOTES FROM LSU COACH JERRY STOVALL:

"They played very well. I think they were very physical and they came to play very aggressively and they did. And we helped them."

"I thought we fought back very, very hard. If we could have scored the last time and gone for two...but they made a superb play."

"Florida is the best team offensively and defensively we have played so far."

(On Jeff Wickersham) I thought he continued to improve. He saw a game situation he had never seen before. He is going to be very good."

Question: Are you disappointed? "Absolutely. We will definitely look at the film and cry."

QUOTES FROM FLORIDA COACH CHARLEY PELL:

"We have been fortunate to be around some outstanding teams and outstanding games, and none could equal or surpass the experience we had tonight against LSU. "

"Our football team I think displayed as much emotion and want-to and togetherness as any group we've ever been around. That's what makes us most proud about them. They just pulled together and they challenged LSU in the last five minutes of the game to the wire."

"Our coaching staff did a good job, a great job in preparing. The players did a good job in execution."
